VOICES OF SINGAPORE PRESENTS THE SINGAPORE VIRTUAL CHOIR PROJECT WITH DICK LEE'S "HOME"

14 April 2020, Singapore: Non-profit arts organisation Voices of Singapore, supported by the *Singapore Tourism Board (STB)*, has launched a Virtual Choir Project to provide a platform for Singaporeans all over the world to unite through song.

Also partnering with *Createurs Productions* and *Pink Noise*, the project has culminated in a total of over 900 submissions from Singaporeans in 26 different countries from as far as the United States, Turkey and the Netherlands, with each sending in home videos of themselves singing the iconic song, "Home", by Dick Lee.

Choral snippets of the song are collected from these ordinary and extraordinary Singaporeans, aged 5 to 80, then woven professionally into an inspiring music video. Singapore's music talents Nathan Hartono, Shigga Shay, Charlie Lim, Jasmine Sokko, Yung Raja, Fariz Jabba, Joie Tan and Tan Wei Tian also participated in the video.

Created during this period of the COVID-19 pandemic that has plagued the world with uncertainty and doubt, the Virtual Choir Project aims to bring a glimpse of hope through solidarity and unity. The final video also hopes to provide comfort specifically to Singaporeans who are currently unable to return home due to reasons including quarantines or border restrictions. The project title "**Gathering Home, as One**" plays with a broader meaning of coming together as a Singapore family, using the gathering of voices to represent the unique gifts of diverse Singaporeans to build a pandemic-resilient nation through unity.

STRICTLY EMBARGOED FOR APRIL 14, 2020 AT 9.30PM SGT

“It has been so heart-warming to watch the hundreds of videos of people from all walks of life coming together to sing. It is a timely reminder to all of us that whatever the situation, we are never alone,” said Darius Lim, Artistic Director of Voices of Singapore.

Dick Lee, the composer of “Home”, has also expressed his support for the project, saying, “I’m so glad that Home can be a uniting factor for Singaporeans during these trying times. Good luck everyone and God bless.”

Keith Tan, Chief Executive, STB, said, “We are very proud to support this moving and unifying project by Voices of Singapore. This simple yet powerful initiative brought together so many Singaporeans from all over the world to remind us of how special our home is. During these challenging times, we can still come together and lift each other up, and music is the perfect way to do so.”

The music video for the virtual choir will be launched on Voices of Singapore’s official [YouTube](#) and [Facebook](#) pages at 9.30pm on 14 April 2020.
